Results of the Constitution Amendment. Yes votes, 586; No votes, 280.

The Town Officers were sworn in at this time by the Moderator, all were present. At this time Selectman, Clark Ingalls thanked retiring Ezra B. Mann, II for the many years that he had served as a Selectman. In reply to the audiences' ovation Mr. Mann said "There is so much I could say at this time, but I think the best way is to just say thanks."

ARTICLE 5.

The reports of the Selectmen, Treasurer, Cemetery Commissioners and other Town Officers.

The motion was made by Karl Bruckner and seconded by Richard McDanolds that the reports be accepted as printed in the Town Report. This was adopted by a voice vote.

ARTICLE 6.

Karl Bruckner nominated James H. Barber and Clarence Knox to serve as auditors for a term of one year. Richard McDanolds seconded the motion. The clerk was instructed to cast one ballot for each. Clarence Knox was sworn in. James Barber was not present.

John Cobb nominated Katharine Blaisdell for a three-year term as Library Trustee, Paul LaMott seconded the motion. The clerk was instructed to cast one ballot for her. She was sworn in.

Raymond Fenn nominated Paul Ricker for a five-year term as Cemetery Commissioner. Morris Olsen seconded the motion. The clerk was instructed to cast one ballot for same. Mr. Ricker was not present to be sworn in.

Karl Bruckner made the motion that all other officers be appointed by the Board of Selectmen. Richard McDanolds seconded the motion. It was adopted by a voice vote.

ARTICLE 7.

Motion was made by Ezra Mann, II that the Town contribute funds for the construction of Class V Highways. Murdock Newman seconded the motion. The Town contributes \$1,333.25. It was adopted by a voice vote.

ARTICLE 8.

Ezra Mann, II made the motion that the Town authorize the Selectmen to enter into an agreement with the New Hampshire Dept. of Public Works & Highways for the repairs of the Bath-Woodsville covered bridge, to appropriate the sum of \$16,000.00 to cover the Town's share of the costs thereof, of which sum \$8,000.00 is to be raised by taxes for the current year, and the balance by borrowing. The Selectmen are hereby authorized to borrow said balance by giving notes therefor to be repaid with-

in one year. Karl Bruckner seconded the motion. Mr. Mann said the structure of the bridge would stay the same, and the bridge would not be closed. It was voted unanimously. It was reported that Bath adopted this article too. Bath to pay \$4,000.00 and the State to pay \$20,000.00.

ARTICLE 9.

Ezra Mann II made the motion that the Town raise and appropriate \$105,402.48 for the Town budget. James Hood seconded the motion. This article was adopted by a unanimous voice vote after a lengthy explanation by Selectman Clark Ingalls about items in the highway budget.

ARTICLE 10.

Karl Bruckner made the motion that the Town authorize the Selectmen to issue interest-bearing notes or orders in anticipation of taxes. Paul LaMott seconded the motion. It was adopted by a voice vote.

ARTICLE 11.

Karl Bruckner made the motion that the Selectmen be authorized to distribute inventory blanks by mail, or at the same time they examine the taxable property. William Coon seconded the motion. It was voted by a voice vote.

ARTICLE 12.

Clayton Placey made the motion that this Article be amended to read—To see if the Town will vote to authorize the Selectmen to administer, or to sell real estate acquired by the Town through Tax Collector's deed, at public auction sale. This was seconded by T. Borden Walker. Adopted by a voice vote.

ARTICLE 13.

Paul LaMott made the motion that a Budget Committee be appointed to supervise appropriations. James Hood seconded the motion. Paul LaMott amended the motion, stating that line-item budgets be presented at budget meetings and be printed in the Town Report. George Bartzis seconded the motion. Adopted by a voice vote.

ARTICLE 14.

John Cobb made the motion that the Town accept the roads in the Mountain View Acres development in North Haverhill as public highways, and to authorize and empower the Selectmen to accept on behalf of the Town, a deed therefor, at no cost to the Town. T. Borden Walker seconded the motion. The feelings of the voters seemed to be that they didn't want to pay for roads built by a private corporation. This motion was defeated.

ARTICLE 15.

Paul LaMott made the motion that the Selectmen be authorized to contract the New Hampshire State Tax Commission for re-appraisal of all the properties in the Town of Haverhill. Richard Abbott seconded the motion. This article was adopted by a unanimous voice vote.

ARTICLE 16.

Clark Ingalls made the motion that the Moderator appoint a Committee of five citizens to study the feasibility of a Town Manager form of government for the Town. Dr. Cyrus Eastman seconded the motion. This article was rejected by a voice vote.

ARTICLE 17.

Murdock Newman made the motion that the Town authorize the Selectmen to make available Town owned land to be used for industrial purposes. Morris Olsen seconded the motion. There was some discussion about this interfering with the airport in any way. The answer was no. It was also reported that Mrs. Knapp had given an additional 29 acres of land to the Airport and removed all restrictions. This was adopted by a voice vote.

ARTICLE 18.

Paul LaMott made the motion that the meeting be adjourned. Karl Bruckner seconded the motion. Was adjourned at 10:30 P.M.

Respectfully submitted,

REPORT OF THE SELECTMEN

To the Citizens and Taxpayers of Haverhill:

The purpose of Town government is to provide the services needed by the Townspeople and to do so with the least possible expense. Your Board has endeavored to accomplish these seemingly incongruous goals by carefully watching expenses, dispersing monies where we feel they will be most effective and introducing basic economies. The role of local government is increasing and the number of services which the Town is expected to provide grows ever larger. The increase in our seasonal population and the expansion in the more remote areas of Town, the year around residences in sections where there were no winter residents for many years, and our proximity to the interstate highway systems has created a very mobile and demanding population particularly demanding in Town road maintenance and the police department.

Some basic needs are quite apparent to the Board such as the need to consolidate some of the services between precincts and the town, providing a town-wide communications network, a town garage, a municipal office building, waste disposal, an accelerated road improvement program, watershed protection by acquisition, comprehensive planning, tax mapping, and improved educational and social services. Each of these considerations if properly administered will result in some long term economies but each represents initially a significant expenditure. For this reason a committee has been proposed to establish some priorities for the future development of the town.

One innovation during 1972 was the Town Census which has proved beneficial in increasing our share of the rooms and meals tax, providing a dog count, and as a basis for future projections in Town planning. The population was found to be 3,165.

At the 1972 Town Meeting money was raised toward the cost of repairing the Haverhill-Bath covered bridge which was to have been done in 1972. The State was unable to do the work last year but we have been assured that the project will start in April, 1973.

In October the town entered into an agreement with the Grafton County Commissioners for the use of the old Superior Court House for the Haverhill District Court. This appears to be an expensive proposition even though the unused portions of the building have been shut off. The problem of finding perma-

ment quarters for the District Court has yet to be resolved.

Last year the Selectmen were authorized to make available Town owned land for industrial purposes. After considerable negotiation it was determined that the town land was not immediately suitable. The Woodsville Area Industries industrial development group then acquired a tract of land adjacent to the Town land and made it available to Woodsville Industries, Inc. an apparel manufacturer. The voters now have the opportunity to reimburse Woodsville Area Industries for the expense they assumed in making this land available.

As directed, the Selectmen and the Budget Committee have prepared a line item budget for consideration this year. It is hoped that this budgetary form will help the voters to be more informed and give them more insight into how their money is expended.

Without competent qualified people working for the Town it could not continue to function smoothly. We respectfully acknowledge the dedication of June Hill our secretary and "girl Friday". Road agent Roland McKean and Police Chief Harold Cummins work with a devotion beyond that compensation they receive.

It is a privilege and an ever increasing responsibility to serve as your selectmen. There is no generation gap on the board and no vested interests. We are sincerely trying to administer the Town economically and fairly. We have good people working for us and with us. But ultimately the responsibility for directing our Town lies with the voters. It is your duty to become informed, involved, to make your feelings known and to act responsibly as a voter and citizen.

Assisted other departments 43 times.

Assisted motorists 102 times—change tires, pumped gas, etc.

Assisted Fire Departments 11 times (traffic).

We had no fatal accidents in 1972 and very few personal injury accidents.

AUDITOR'S REPORT

We, the undersigned, auditors of the Town of Haverhill, certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Town Treasurer, Trustee of Trust Funds, Cemetery Treasurer and District Court and find them to be correct and properly balanced.

Bonds #1 and #2 and all coupons were paid and destroyed, except Coupon #28, which remains outstanding. There is on deposit in the National Shawmut Bank of Boston \$132.50 to pay this when this coupon is presented. Bonds #3 and #4 were paid the latter part of December 1972 but the bonds or coupons have not been returned at the time of the audit.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative state-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

REPORT OF WOODSVILLE FREE PUBLIC LIBRARY

To anyone who uses or visits the Woodsville Free Public Library, there can be no doubt but what business is brisk on any given library day—and for its librarians, it's busy even on days in between. The demand for books is endless.

A total of 27,702 books and periodicals was circulated in 1972. Each year sees an increase in inquiries. People of all ages, from all walks of life are seeking help from their library—for books that may mean a better job, a better school paper, or just plain entertainment. Remember that old adage "A farmer's work is never done?" Well, neither is a librarian's!

Everyone wants new fiction. Some patrons come in just about every library day looking for the latest best seller. Regretably, the librarians cannot always meet the demand, sometimes due to lack of good, new fiction available or sometimes due to lack of funds. The cost for books mushrooms each year. Inflation has hit the library as well as the supermarket.

A librarian's world consists of books, adults, children, and more books. There are also special programs to come up with to interest readers and to promote good will. Last year, our Summer Reading Program had forty pre-schoolers listening to stories under the leadership of local volunteers. As for the annual Summer Reading Club, older children rushed to the library in droves to absorb anywhere from twenty to seventy-five books per child.

The library also conducted two poster contests, one during Children's Book Week, and one during National Book Week. Both were very successful, in quality as well as quantity. A display of old children's classics was set up in one downtown store window during National Book Week. News items are also sent to local papers to acquaint everyone with what's going on in their library.

Several organizations continue to use our downstairs recreation room. There's the diet club, the Golden Circle Club of Senior Citizens, and an interdenominational Good News Club which trains Sunday School teachers, all of whom meet weekly. These clubs, along with the Progressive Club, donate funds for the use of this room, funds that are put back into more books.

Librarian activities outside the library include attending book exhibits and meetings held with other librarians in Littleton, Lincoln, and Piermont. The Woodsville Library is also involved

with the Glenclyff Home for the Elderly and the library at the Grafton County Home. Books are lent to both places, especially large prints from the Bookmobile, and old magazines are donated. Book lovers who happen to be shut-ins or in the hospital do not have to go without reading matter either. A special service sees to it that their wants are filled.

We must mention recent improvements to the building. A dropped ceiling and new lighting in the interior along with outside painting of trim have spruced up appearances considerably. The grading of the lawn by the basement door enables users to gain access more conveniently and with less chance of accidents.

Other gifts to the library from various organizations and individuals are books, fiction and non-fiction. Many are classics which are in constant circulation.

We still make wide use of the state Bookmobile. 6,866 books were borrowed from Concord during the year. Despite rumors that this service may be discontinued, it is hoped that this will not occur, now or in the future. The Bookmobile is a boon to the small public library who cannot afford to purchase every book requested.

Good cooperation between the schools' libraries and the Woodsville Library gives all students excellent opportunities to properly research term papers and attain required book reports. Despite lack of adequate space, there's a lot of homework accomplished at the library.

We are seeing more change around us than at any time in history. The same can be said for our library. New people come into town every year, permanent residents or summer residents. Either way, it places an added burden on library facilities. A library cannot become stagnant. It must keep up with the progress around it, and the only way is through continued support by the people who use it.

REPORT OF HAVERHILL LIBRARY ASSOCIATION

In 1971 the trustees of the Haverhill Library Association voted to install a zoned heating system in the library building on Court Street in Haverhill. The proposal was announced and favorably accepted by the residents at the March precinct meeting.

Subsequently the trustees were advised that in order to install an efficient heating system, a number of basic repairs had to be made to the building.

Under the astute direction of Lawrence Miller, Chairman of the Building and Grounds Committee, a list of priority items was drawn up. With funds provided by the Precinct of Haverhill, a food sale conducted by the trustees and a food concession held on the Common during Page's Model "A" Ford Meet in July, necessary funds were raised to complete the following renovations.

The primary purpose of this report is to advertise to all who contributed what was done with the appropriated money in lieu of a heating system.

The most necessary and costly repair undertaken was extensive masonry work on the building foundation, walls and chimney.

Window frames on the front of the building were recaulked and painted as were the shutters.

A storm door and side lights were installed on the rear of the building.

Insulation was poured over the second floor ceiling. This area had never been capped. The marked improvement in heating the library has been evident to all who frequent it.

A railing for the front entrance has been purchased and will be installed as soon as weather permits.

These were the major projects undertaken this year. Much yet remains to be done.

Circulation for the year totaled 5,400 books, an increase of some 20% over the preceding year. Librarian Mrs. Sara Speed wishes to note that the increase was principally the result of the diligent work of the child's room librarian, Mrs. Mildred Miller.

The trustees wish to take this opportunity to sincerely thank all who contributed their time and resources to our various projects throughout the year.

They also note with regret the resignation as a trustee of Miss Mildred Page. Her contribution to the library over many years will long be remembered.

PIKE LIBRARY ASSOCIATION**LIBRARIAN'S REPORT****January 1, 1973**

During the past year we have made progress in cataloging our books.

Quite a number of new people have been attending the library and we have changed the hours so that we are open from 3 - 6 p.m. on Wed. in hopes that we can catch some of the working people.

Our book circulation is quite a bit higher than last year with 919 against 582.

We have purchased new books and two new filing cabinets. We have also had three new bookcases built and installed.

The outside of the library has come in for a new "face lifting" with a new paint job and a new combination storm door.

On the whole, I think we have had a very successful year and during this year we hope to see even more people become interested in the library.

THE 1972 COMMUNITY RECREATION REPORT

The 1972 Woodsville Community Recreation Program commenced in January with a Little League basketball league composed of players ages 9-13. Coaches were Victor Roy, Arnold Heath, Leroy George, Darryl Zampieri, and Earl Tourtillotte. The league was highly successful and much interest was generated among the younger group.

Saturday afternoon recreation, mainly basketball, was conducted for the older (high school age) groups. Little League baseball was continued in May with a double-round robin being scheduled. Coaches were Floyd Gibson, Arnold Heath, Steve Blood, Don Bingham, Bob Fraser, Bruce Robbins and Victor Roy. Playoffs were won by Larty's coached by Floyd Gibson and Arnold Heath.

Babe Ruth baseball for ages 13-15 was continued with Woodsville being again entered in the Triangle Babe Ruth League. The Woodsville entry won the League and had several players selected for the Babe Ruth All-Star team which competed in the Vermont Babe Ruth Tournament and won the District Championship.

The Recreation Summer Basketball League continued with an independent schedule that included: Lebanon, Berlin, White River, Vt., Groveton, Littleton, Pembroke, Kennett. The league was particularly successful in that it offered competition against larger schools and towns with the prospect of improvement in the caliber of play.

A women's softball league was continued and assisted by Pierre Baker. This league operated on Monday nights at the Woodsville Elementary School. The 1972 summer youth recreation program began in July and had a particularly fine summer. Few days were lost to swimming and a high measure of success was achieved in the swimming program. Hall's Lake again was used in the conduct of the swimming program and Herbert Chamberlain's bus was employed for transportation to and from Hall's Lake. Two picnic hikes were conducted, as well as the annual pet show, bicycle rodeo, crafts exhibit and doll fashion show. Students from Wells River participated in the program and a total of 176 were enrolled and registered in the overall program. The Y-R program culminated with the annual swimming meet and field meet in which many trophies, ribbons, certificates and swimming cards were given out.

It has been agreed upon by the Recreation Commission that all students outside the Precinct of Woodsville be assessed a fee to participate in the Community Recreation Program. It was further agreed that this fee be \$30.00 for the entire program. This would include eligibility into the Summer Y-R Program, Little League basketball, Little League baseball, Babe Ruth baseball, and summer basketball.

Anyone participating in the Little League basketball program will only be assessed \$5.00. The same fee will apply for Little League baseball. This is for anyone residing outside the precinct of Woodsville.

It is felt by the committee that a swimming pool is a very definite necessity to the program inasmuch as crowded conditions at Hall's Lake make swimming lessons more difficult each succeeding year.

My sincere thanks are extended to the many volunteer helpers that unselfishly give of their time to develop the youth of the community.

JOHN BAGONZI, Recreation Dir.

ANNUAL TOWN MEETING WARRANT
State of New Hampshire

TO THE INHABITANTS OF THE TOWN OF HAVERHILL, in the County of Grafton and State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in North Haverhill in said town on Tuesday, March 6, 1973, at eight o'clock in the forenoon, to act on the following matters. Article 1 will be decided by written ballot. The polling booths at the Town Hall in North Haverhill will be open from 8:00 A.M. to 6:00 P.M. for voting on this article. At 6:00 P.M. the meeting will be adjourned to reconvene at 8:00 P.M. at the James R. Morrill Elementary School Auditorium in North Haverhill, in said Town of Haverhill, for consideration of the remaining articles in the warrant.

ARTICLE 1. To choose by a non-partisan ballot one selectman for a term of three years, a Town Clerk for a term of one year, a Town Treasurer for a term of one year, a Trustee of Trust Funds for a term of three years, a Highway Agent for a term of one year, and a Tax Collector for a term of one year.

ARTICLE 2. To announce the results of the balloting.

ARTICLE 3. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners and any other Town Officers and Committees heretofore chosen and to pass any vote relating thereto.

ARTICLE 4. To choose one or more Auditors, one Library Trustee for the term of three (3) years, one Cemetery Commissioner for the term of five (5) years, and all other necessary Town Officers.

ARTICLE 5. To see if the Town will vote to contribute funds for the construction of Class V Highways, as provided in Chapter 241 RSA, as amended.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to repay Woodsville Area Industries for its purchase of ten acres of land on which Cormier-Woodsville Industries is presently building its plant.

ARTICLE 7. To see if the Town will authorize the Selectmen to contract with the North Country Home Health Agency to make available to residents of Haverhill physiotherapy, medical and social nursing services, to appropriate the sum of \$3,165.00 for this service, and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 8. To see if the Town will vote to make alterations in the amount of money to be raised and appropriated for the ensuing year for support of the Town as recommended

by the budget committee in its report, to raise and appropriate all sums so determined for said purposes, and to pass any other vote relating thereto.

ARTICLE 9. To see if the Town will vote to authorize the Selectmen to issue interest-bearing notes or orders in anticipation of taxes, to provide for expenses of the current year.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to distribute inventory blanks by mail, or at the same time they examine the taxable property.

ARTICLE 11. To see if the Town will vote to authorize the Selectmen to administer, or to sell real estate acquired by the Town through Tax Collector's deed, by public auction sale or by advertising for sealed bids.

ARTICLE 12. To see if the Town will vote to appoint or elect a Budget Committee to supervise the appropriations of the Town, and to recommend to the next annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

ARTICLE 13. To see if the Town will accept as a public highway the street known as Ridge Drive in North Haverhill, New Hampshire, and to authorize and empower the Selectmen to accept on behalf of the Town, a deed thereto, at no cost to the Town.

ARTICLE 14. To see if the voters will request and direct the Haverhill Planning Board to prepare an ordinance to regulate the use of land in the Town of Haverhill so that all building lots in the future will be at least a minimum of one acre in size.

ARTICLE 15. To see if the Town will vote to discontinue the road running from Route 25 across the Oliverian Brook through land of Raymond Haynes to the old Holland Road so-called.

ARTICLE 16. To see if the Town will authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, the sum of \$10,000.00 for use as a set-off against the budget appropriation for "Road Maintenance", which amount is to be divided proportionately between the Town and the Woodsville Fire District.

ARTICLE 17. To see if the Town will authorize the withdrawal of \$15,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, to defray a portion of the cost of re-appraisal of all taxable property in the Town of Haverhill by the State Tax Commission.

ARTICLE 18. To see if the Town will authorize withdrawal of \$950.00 from the Revenue Sharing Fund established

under the provisions of the State and Local Assistance Act of 1972, to offset that portion of the budget appropriation for White Mountain Community Services which is an increase over last year's appropriation for the same purpose.

ARTICLE 19. To see if the Town will authorize the withdrawal of \$3,200.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for the purchase of a new police cruiser.

ARTICLE 20. To see if the Town will authorize the Selectmen to appoint a committee of concerned citizens to investigate the long term needs of the Town and to make recommendations with priorities to the Selectmen for the expenditure of further Revenue Sharing Funds.

ARTICLE 21. To see if the Town will vote to adopt the following ordinance relating to dogs within the limits of the Woodsville Fire District:

The Town of Haverhill at Town Meeting duly assembled, hereby ordains.

1. That no dogs shall be allowed to run at large without restraint within the limits of the Woodsville Fire District, more commonly known as the Village of Woodsville, at any time of the year or any time of the day or night.
2. That all police officers and constables are hereby authorized to impound any dog found running free within said Fire District, on property other than that owned or leased by the owner of said dog.
3. That running at large shall mean any dog which when not on premises owned or leased by the owner of said dog, is not on a leash or otherwise physically restrained from running or going as it pleases. Any form of restraint which places the dog physically under the control of a person, will be deemed to be sufficient restraint for purposes of this order.
4. That this ordinance shall become effective immediately upon its adoption.

ARTICLE 22. To transact any other business proper to come before said meeting.

Given under our hands and seals this twelfth day of February, 1973.

AUDITOR'S REPORT

January 9, 1973

I hereby certify that I have examined the accounts for the North Haverhill Water and Lighting District for the fiscal year 1972 and I have found them correctly balanced.

REPORT OF THE PLANNING BOARD**1972**

The planning board received 30 applications for subdivisions during 1972. Two of these were denied because they failed to meet the requirements of the subdivision regulations promulgated by the Board.

Approval of an application does not mean that the Board members individually believe that the particular subdivision is a good or desirable one, but merely that the subdivider has complied with the regulations.

The USDA Soil Conservation Service has rendered valuable assistance to the Board, primarily in determining whether or not a subdivider has actually complied in the field, with the plans and promises made in writing.

The Planning Board held 17 meetings during the past year. As a rule such meetings were attended by all board members. When added to the time spent on various field trips and informal conferences with other board members and with subdividers, the time expenditures by the members is considerable. They receive no compensation.

The Board is concerned with what appears to be a proliferation of subdivisions scattered through the more sparsely settled portions of the town. It is considering amendments to its subdivision regulations, to better control and in some cases prevent subdivision of land for dense residential purposes in remote parts of town.

The Board continues to be concerned with the lack of any sort of regulation controlling and directing the use to which land can be put (ZONING) and in particular with the apparent lack of concern and interest by the town's people with the problem.

DEAN MEMORIAL AIRPORT

There are three planes stationed at the airport: Airport Manager, Robert Gibson's Ercoupe, a Champion belonging to Guy Hebb of Orford, and a Luscombe belonging to Burnside Farqueson of South Ryegate, Vt.

The airstrip is used for both business and pleasure flights. Two planes took haven here during an electrical storm last summer. Over 275 planes have registered this past year, with 190 passengers flying in and 191 passengers flying out. The busiest months were April, July, and October.

During the winter, the airport is kept plowed by the Town Road Crew, after all town roads have been cleared of snow.

REPORT OF NORTH COUNTRY HOME HEALTH AGENCY

On November 2, 1972 the North Country Home Health Agency, Inc. received a request from the town of Haverhill for home health services. This request was a result of many meetings including the selectmen, medical personnel, Bi-State Community Health Project, State Public Health nurse, North Country Home Health Agency and other interested and involved parties.

It was decided to extend services to the town of Haverhill using funds from a Federal Grant funded under the New England Regional Commission. The funds were for the expansion of services to the Haverhill area. These were for developing and starting services. In early December a letter of agreement was signed between Haverhill and the North Country Home Health Agency to provide for skilled nursing care, physiotherapy and social service on request, with physicians orders, to the residents of the town of Haverhill.

The services which this agency can provide to the Haverhill residents are skilled nursing care, health promotion and supervision, post-partum follow-up, free pre-school immunization programs and pre-natal classes. These services are for everyone and are paid for by most health insurances, by the patient himself and town funds.

These services allow patients to be released from hospitals or extended care facilities and to their own homes. This saves money and allows the patients to recuperate in familiar surroundings. The continuation of these services depends upon appropriation of town funds at the March town meeting. There were 23 skilled nursing visits and one physiotherapy visit made from the start of service, Dec. 15 thru Dec. 31. Mrs. Patricia Sabin, R.N. was hired as the Nurse Coordinator in the Haverhill area. Her office is located at the Cottage Hospital, Woodsville, N.H. and she can be reached at 747-3594.

COTTAGE HOSPITAL VOLUNTEER AMBULANCE SERVICE

There were 316 Ambulance calls made during the year 1972, between the Ricker Funeral Home and the Volunteer Ambulance Service. Following is the breakdown of the towns where calls were made.

Haverhill	140	Fairlee	1
Easton	1	Barnet	4
Benton	5	Monroe	5
Bath	6	Glencliff	3
Newbury	38	Lisbon	2
Ryegate	14	Corinth	1
Groton	21	Peacham	1
Bradford	5	Out of State	6
McIndoes	1	Transfers	58
Warren	4		

Transfers included patients from all towns transferred from Cottage Hospital to other hospitals, nursing homes, etc.

Some of the expenses of the Service include the following:

Cost of ambulance	\$15,120.50
Loan from Bank	\$10,500.00
Interest at 8½%	\$ 892.50

Meals are given by the Hospital at 60 cents per meal to ambulance drivers. Rental charge for ambulance garage is \$60.00 per month.

Expenses such as gasoline, oil, maintenance of ambulance, registration, Insurance and supplies must be paid.

After a full year of service by the Volunteer Ambulance, a much better report can be made as to actual income and expense. It is possible for appropriations to be cut should the finances of the Service warrant.

All ambulance calls should now go to Cottage Hospital 747-3331.

**REPORT OF THE WHITE MOUNTAINS REGION ASSOCIATION
SUMMARY PROGRAM OF THE WHITE
MOUNTAINS REGION ASSOCIATION**

1972 — (35th Year)

The officers and directors held two meetings to re-assess the goals and projects of the Association to make them more meaningful for the 1970's. Out of these two, eight hour sessions came agreements on five programatic objectives. They were the need to insure a quality environment, orderly development, improved public transportation facilities, vocational training, and the need for a community college. The first objective has received the most attention since these sessions were held. In this regard the Association sponsored a workshop on air pollution in Berlin.

The Association has spoken out on the need to preserve the small family farms and, thus, it has actively supported the Open Space Bill, HB44. The Bill permits selectmen to tax land upon current use instead of its potential value. The Association spoke out in support of this Bill at a senate hearing in Concord and contacted the state senators and representatives in the region notifying them of the Association's position on the subject.

The Association sponsored a very successful sewage conference in Waterville Valley. Billed as a "sharing of ideas" the conference dealt with some new concepts in sewage treatment such as combining wood wastes with sewage to make fertilizer.

The Association organized a hearing on regional planning in Twin Mountain and worked with the Town of Carroll in setting up what turned out to be the most successful snowmobile hearing in the State.

Finally, as an integral part of its annual meeting the Association, held a very exciting panel discussion on "Development/Environment." Gov. Frank W. Sargent of Massachusetts, a former commissioner in the Department of Natural Resources there, addressed the group following the annual dinner on a theme in keeping with the theme of the meeting, "Best Use of Our Natural Resources."

Non-environmental Association activities for the past year included: help in preparing background information for the Berlin and Whitefield Airports for the hearings in Concord before the Civil Aeronautics Board; creation of a new Association logo and a very successful fall foliage shunpike folder; continued promotion of the off season through news releases and the sponsorship of several canoe races, the most ambitious and successful of which was the New England Canoe Slalom held in Campton. Also, the Association assisted a group in Berlin develop a plan for a hotel trade learning course.

In preparation is a canoeing folder, which, if enough advertising can be sold, should be out well before Spring of 1973.

Organized a meeting and prepared a statement regarding the then proposed visitor's information center on the Kancamagus Highway with the U.S. Forest Service.

Presented awards to 4-H Clubs in both Coos and Grafton Counties.

Appeared on six radio programs, attended one travel show in Harrisburg, Pennsylvania, and spoke before several groups in the Region.

Inquiries for the year totaled 5,501.

Wrote 45 news releases and 126 personal letters.

Also wrote five newsletters, "Recreation Pressures in the White Mountain National Forest," "New Year's Resolution!," "Our Open Space", one on the "Sewage Conference", and a personal newsletter by John P. Wilson.

HAVERHILL COOPERATIVE SCHOOL DISTRICT
WARRANT FOR 1973 ANNUAL DISTRICT MEETING

To the Inhabitants of the Haverhill Cooperative School District qualified to vote in the Haverhill Cooperative School District affairs:

You are hereby notified to meet at the James R. Morrill Elementary School Gymnasium, North Haverhill, New Hampshire, on the 28th day of March, 1973, polls to be open for the election of District Officers at 10:00 o'clock in the forenoon and to close not earlier than 7:30 o'clock in the afternoon, with action on the remaining articles in this warrant to be taken commencing at 7:30 o'clock in the afternoon.

- ARTICLE 1. To choose, by non-partisan ballot, a Moderator for the ensuing year.
- ARTICLE 2. To choose, by non-partisan ballot, two members of the School Board, one from the pre-existing Haverhill School District for a term of three years, and one from the pre-existing Woodsville School District for a term of three years.
- ARTICLE 3. To hear reports of the School Board, Treasurer and the Superintendent of Schools and pass any vote relating thereto.
- ARTICLE 4. To see if the District will authorize the School Board to make application for and to receive in the name of the District such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any other federal, state or private source.
- ARTICLE 5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of said District and to authorize the application against said appropriations of such sums as are estimated to be received from the State Foundation Aid and Building Aid Funds together with other income; the

school board to certify to the selectmen the balance between the estimated revenue and appropriation, which balance is to be raised by taxes by the pre-existing districts in accordance with the formula adopted by the Haverhill Cooperative School District, and the School Board further to certify to the selectmen the amount to be raised by taxation by each of the two pre-existing school districts.

ARTICLE 6. To see if the District will vote to authorize the application of any unanticipated income to expenses.

ARTICLE 7. To transact any other business that may legally come before said meeting.

Given under our hands this 28th day of February, 1973.

*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The Supervisory Union Board decides the legal share of the Superintendent's salary and other Union expenses. The Supervisory Union's share of the Superintendent's salary for 1972-1973 is \$16,275.00 with \$1,500.00 allowed for travel. The retirement board assesses the amount of the teachers' retirement.

AUDITOR'S REPORT

August 23, 1972

We certify that we have examined the accounts of the Treasurer of the Haverhill Cooperative School District for the year ending June 30, 1972 and find them correct and showing a balance of \$85,106.79.

The Woodsville Elementary School Bonds 136 through 150 and all coupons were paid and destroyed except coupons 166 through 175. There is a balance of \$185.00 on deposit in the National Shawmut Bank of Boston to pay these coupons when presented.

The Haverhill Cooperative School Bonds 5 through 8 (\$5,000.00 Bonds) of the 6.20% issue and coupons 5 through 65 were paid and destroyed except one number 45 coupon. There is on deposit in the National Shawmut Bank of Boston \$155.00 to pay this when presented.

The Haverhill Cooperative School Bonds #3 and 4 (\$5,000.00 Bonds) of the 6.10% issue and coupons 3 through 40 were paid and destroyed except #30 coupon. There is on deposit in the National Shawmut Bank of Boston \$152.50 to pay this coupon when presented.

We also certify that we have examined the accounts of the Treasurers of the Haverhill Cooperative School Lunch Programs and have found them to be complete, but there were some deficiencies in bookkeeping procedures. This list of deficiencies was submitted to the Superintendent's Office.

REPORT OF SUPERINTENDENT OF SCHOOLS 1972-1973

I herewith submit my eighth annual report to the voters of the Haverhill Cooperative School District.

The teacher turnover in the Haverhill Cooperative School District continues to decrease but still represents a loss to our educational program when we lose teachers of outstanding quality. A list of new teachers for 1972-73 follows:

MR. DONALD DEMPSEY—Industrial Arts at Woodsville High School.

MISS LINDA CHRONIAK—Foreign Languages at Woodsville High School and Haverhill Academy Junior High School.

MRS. MARLENE MOORE—Mathematics at Woodsville High School.

MR. ALLEN BASSLER—Biology at Woodsville High School.

MRS. DALE SMITH—Mathematics at Woodsville High School.

MR. JOHN MITCHELL—Industrial Arts at the Haverhill Academy Junior High.

MISS MARIANNE KULIG—Social Studies (part-time) at the Haverhill Academy Junior High.

MRS. PHYLLIS McKENNA—Special Education at the Haverhill Academy Junior High.

MRS. MARY ASHLEY—Grades 4, 5 and 6 at the Woodsville Elementary School.

MRS. LOUISE ROY—Grade 4 at the Woodsville Elementary School.

MRS. JENNIFER NELSON—Grade 4 at the Woodsville Elementary School.

Our total school enrollment continues to hold at levels we have anticipated. From research available to this office, nationwide trends are for school population to start a slow decline in the very near future. Unless there is a large in-migration of young people, our school census points to smaller classes in our elementary schools.

At present, the Haverhill Cooperative Budget has not been finalized. In all probability, the gross budget will increase approximately ten percent. Reasons for this increase are teachers' salaries, administration personnel, teaching supplies, custodial supplies and salaries, and other areas.

Your school board, the administration and professional staff have been busily organizing the newly proposed 1973-1974 budget for the past three months. Many hours have been spent in reviewing budgetary requests and establishing priorities and goals for the Haverhill Cooperative School District.

Negotiations with school personnel have been completed and our salary base has been raised in order for us to keep our staff intact for good continuity, and also to provide the administration with some competitive means in the recruiting race.

Some priorities that have been established by your school board and administration team are:

1. Establishment of a special education program at Woodsville High School in order to meet our educational needs locally, and in compliance with the Handicapped Law as far as State statutes are concerned.
2. Expansion of our Vocational Program by the offering of a Building Trades Program for Grade 11 and 12 boys.
3. Expanding our Physical Education Program for all students with the addition of a full-time girls' physical education instructor.
4. Expanding the student activity program to meet the needs of more youngsters beyond the instructional day.
5. Improving school sites and promoting the continuance of a planned building maintenance program.
6. Replacement of obsolete textbooks and equipment.
7. Expanding the in-service educational program for our professional staff in compliance with the new New Hampshire State Board Regulation to Staff Development Programs.
8. Initiating curriculum revision and K - 12 articulation under the direction of the Assistant Superintendent of Schools and all principals.

All of these objectives may not be met during the next year, but these are goals that we are aiming for in the Haverhill Cooperative School District.

In conclusion may I say that there are, and will be, problems in the every day education of our children. Only through cooperation, unselfishness and communicating with one another can we hope to solve some, not all, of our problems.

May I take this opportunity to thank the School Board, administrative and teaching staffs, and the voters of the Haverhill Cooperative School District for their patience, understanding and support during the past year.

Respectfully submitted,
 NORMAN H. MULLEN
 Superintendent of Schols

**REPORT OF ASSISTANT SUPERINTENDENT OF SCHOOLS
1972-1973**

I herewith submit my third annual report to the voters of the Haverhill Cooperative School District.

As I reported a year ago, our elementary teachers were working in the areas of library services and reading. I am happy to report that their studies have resulted in some valuable changes in our elementary school curriculum. In the area of library services, we have added more audio-visual materials in the form of film loop projectors, cassette tape recorders, film strips, etc. Teachers bring their classes to the library on a regularly scheduled basis where the children are taught to use the resources available to complete project assignments and as a general supplement to classroom work. The materials mentioned above are shared by both elementary schools.

At the Morrill Elementary School we have installed a continuous reading program in the first three grades. We have done this on an experimental basis. Each reading group within a classroom is allowed to progress at its own rate through a sequential program of reading with no group being bound by its grade level. Basal reading materials are being shared by all of the teachers in grades one through three. This allows children to proceed through the reading program as quickly as they are able to or as slowly as they need. We will evaluate the results of this approach later in the year.

We have added a teacher aide to our special education program at the Woodsville Elementary School where we now have 26 children participating. Our aide, Mrs. Judy McLure offers the children some vocationally oriented instruction along with the academic instruction they get from Mrs. White, our regular special education teacher.

Our school lunch programs continue to run on a self-sustaining basis but expenditures for large items of equipment such as stoves, dishwashers and like items may force us to call upon the district and the state for additional funds. Once again, many thanks to our school lunch personnel for a job well done.

I would like to take this opportunity to thank everyone connected with the Haverhill Cooperative School District for their support during the past year.

Respectfully submitted,
HAROLD J. HASKINS
Assistant Superintendent of Schools

In reviewing the school year of 1971-72 one must consider the evaluation of our high school by the New England Association of Colleges and Schools as the highlight of this academic year. In April of 1972 an evaluation team comprised of approximately twenty educators representing the New England States visited our school for a period of three days. The purpose of this committee was to evaluate comprehensively our facilities, our educational philosophy and programs and staff members to determine if Woodsville High School were meeting the qualitative educational standards as established by this regional association. It was with great pride and satisfaction that in December, 1972, we were formally granted accreditation and membership in the New England Association of Colleges and Schools. At this time I wish to extend our appreciation to students, faculty, school board and other committee members, who through their combined efforts, made this goal obtainable.

In looking ahead to the educational process at Woodsville High School one of the dilemmas confronting us will be the necessity of providing for truly comprehensive programs that will meet the needs and interests of *all* students. This will be extremely difficult as adequate finances, facilities and teaching personnel are the vital ingredients for implementing new or expanded programs. It is hoped, however, that in the very near future, Woodsville High School will be able to offer our students opportunities to participate in instructional areas such as Building Trades, Health Occupations and Cooperative Work-Study programs. If we are really concerned about preparing our students for successful entry and participation in society, we must give serious consideration to those factors necessary to provide such learning experience within the high school curriculum.

It must be emphasized that the success of any program—present or future—ultimately depends upon the attitude of the students. It is the student's responsibility to see that it works so that it will be beneficial to them and to society. Students must realize that the educational process can not always be fun; that, at times, it can be quite tedious and quite difficult. Schools are not meant to be entertainment centers but are vehicles to provide the impetus for learning the appropriate skills and attitudes for successful entry into the complex world of today.

The fall of 1972 saw a number of changes in the teaching staff at Woodsville High School. Mr. Allen Bassler replaced Miss Judith Saunders in the science department; Mr. Donald Dempsey succeeded Mr. John Dryden in the Industrial Arts program; Miss Linda Chroniak replaced Mrs. Jacqueline Lewis in the language department; and Mrs. Marleen Moore and Mrs. Dale Smith joined the faculty in the mathematics department assuming the teaching responsibilities of Mr. Paul Amsden and Mrs. Patricia Roy respectively.

As in previous years the extra-curricular and interscholastic programs contribute to the over-all learning experiences of our students. A large percentage of the students continue to support the various school, class and club organizations including such groups as the Media Club, French Club, Student Council and the National Honor Societies which have been very helpful through their efforts to provide various services, programs and other contributions to school and community life.

Recognition must also be given to those students, faculty members and parents who devoted endless time and effort in the areas of dramatics, music (Band-Chorus) and athletics. Not only do the participants gain valuable experiences from such exposure, but also the school and the community. The coaches, directors and advisors are to be complimented for their fine leadership, and the students for their excellent performances and representation throughout the 1971-72 school year.

In conclusion, I wish to thank the Superintendent of Schools, the Haverhill Cooperative School Board, and the people of the Town of Haverhill and the surrounding communities for their continued support and cooperation.

Respectfully submitted,
DONALD R. EVANS
Principal

HAVERHILL ACADEMY JUNIOR HIGH SCHOOL

PRINCIPAL'S REPORT

January 24, 1973

Haverhill Academy Junior High School opened on September 7th with an enrollment of 174 (7th-85, 8th-89).

Our teaching staff consisted of the same teachers with these changes or additions.

Mrs. Reed—Special Education

Mrs. Lewis—French

Mrs. Steeves—Home Economics and Social Studies

We were very fortunate to have four teachers help us in the areas of Guidance, Physical Education, Library and Art. These teachers were hired under a Federal Program—Emergency Employment Act thru the New Hampshire Manpower Coordination Office. The four teachers who assisted us were Mrs. Kelly, Miss Hakes, Miss Frackleton and Mr. Tourtillotte.

Open House was observed on October 20, 1971 with a very fine attendance on the part of the Community.

Several students were able to have experiences of field trips to—

Cold Regions Laboratory—Hanover

Rock of Ages—Barre, Vt.

Comerford Station—Monroe

Plymouth Planetarium—Plymouth

Bemis Paper Mill—East Ryegate, Vt.

Morse Museum—Warren

Squam Lake Science Center—Holderness

Our school library has been the recipient of a number of volumes of new books to add to the total. Also a group donated a number of books to our library in gracious memory of Mrs. Nora Davidson.

The School District instituted at the Junior High last year a new program under the title of Special Education. This program as set up by the teacher (Mrs. Reed) attempted to assist the slow learner in his everyday problems of coping with his school work. The program worked out extremely well and the results of the first year of the new program have been worth the cost involved. We can not completely do away with the problems of these children, but we can help them with the difficulties so that school will be more meaningful to them.

We had our usual athletic teams in Soccer, Basketball, Baseball and Softball. We, also, entered two basketball tournaments. Athletics add much to our school and we are pleased when large numbers attempt to participate.

At our final assembly, awards were presented to the following:

Scholastic Honors

- 1st—Carl Hjelm

JAMES R. MORRILL ELEMENTARY SCHOOL
REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I submit herein my annual report of the James R. Morrill Elementary School for the year ending December 31, 1972.

The school enrollment as of the writing of this report is 202 pupils. The enrollment by grades is as follows: Kindergarten—21, Grade 1—27, Grade 2—28, Grade 3—30, Grade 4—42, Grade 5—30 and Grade 6—24. Grade 4 is split into two sections because of the large number of pupils.

Two changes in staff assignments took place this year. Mrs. Barbara Jones replaced Mrs. Betty Sue Robie in Kindergarten and Miss Regis Jason moved from Grade 3 to Grade 4.

Participation in the school lunch program has increased this year. The program, under the direction of Mrs. Mary Allbee is serving approximately 165 pupils and teachers every day.

The state testing program was not in operation this year because of lack of funds. The testing program has continued under local sponsorship. Tests to be given are the Metropolitan Readiness Tests in Kindergarten, Stanford Achievement Tests in Grades 1-6 and Otis-Lennon Mental Ability Tests in Grades 3 and 6.

Dr. David Hartson, a psychologist from White Mountain Community Services, is available to the teachers to discuss any unusual problems they may be having with youngsters.

Two awards were presented to sixth graders last June. The James R. Morrill Memorial Award was presented to Lynnette Holden and the Phyllis Page Memorial Achievement Award to Kelly Foote.

I want to thank the North Haverhill Fair Association for the donation of the new water cooler in the lower hall. I can assure everyone that it gets a lot of use and is appreciated by children and teachers.

An Open House was held in October so that parents could meet and talk with the teachers. The teachers were very pleased with the large number of parents who came to discuss their youngster's progress.

Christmas and Spring Music Programs were presented by Grades 1-6 under the direction of vocal music supervisor, Miss Edith Anne Emery, and instrumental music supervisor, Mr. Stewart Armstrong.

The new paneling installed in Grades 4, 5 and 6 has greatly improved the appearance of the rooms and the new lights installed in the hallways and stairways have brightened things up considerably.

The Special Education Program has continued in operation this year under the direction of Mrs. Kathleen White. This program involves pupils who have a hard time doing the work in the regular classroom. Mrs. White gives tests to these children to pinpoint their learning difficulties. Some of the tests given are the Durrell Analysis of Reading Difficulty, the Peabody Picture Vocabulary Test (PPVT), the Illinois Test of Psycholinguistic Abilities (ITPA), and the Wide Range Achievement Test (WRAT).

I wish to thank Mr. Mullen, Mr. Haskins, the School Board and all members of the school staff for their cooperation in all matters.

Respectfully submitted,

GEORGE C. McKELVEY,
Principal

WOODSVILLE ELEMENTARY SCHOOL

REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I submit herein my twentieth annual report of the Woodsville Elementary School for the year ending December 31, 1972.

The school enrollment as of the writing of this report is 206 pupils. The enrollment by grades is as follows: Kindergarten—20, Grade 1—26, Grade 2—30, Grade 3—22, Grade 4—44, Grade 5—31 and Grade 6—33.

Several changes took place in the teaching staff this year. Two teachers have retired—Mrs. Isabel Shaw and Mrs. Edna Foss and one teacher, Miss Janet Armstrong, resigned. Mrs. Mary Ashley has replaced Mrs. Foss as helping teacher in grades 5 and 6 and is also in charge of the Instructional Media Center. The fourth grade was divided into two sections because of the large number of pupils. Two teachers were hired—Mrs. Jennifer Nelson, a graduate of the University of Vermont with previous teaching experience at Shaftsbury, Vt. and Miss Louise Bradley, a graduate of the University of Maine at Farmington.

The school lunch program is popular with the youngsters. Approximately 145 pupils and teachers are being fed each day. The program is under the direction of Mrs. Marjorie Paronto.

The state testing program was not in operation this year because of lack of funds. The testing program has continued under local sponsorship. Tests to be given are the Metropolitan Readiness Tests in Kindergarten, Stanford Achievement Tests in grade 1-6 and Otis-Lennon Mental Ability Tests in grades 3 and 6.

Dr. David Hartson, a psychologist from White Mountain Community Services, is available to the teachers to discuss any unusual problems they may have with youngsters.

An Open House was held in October so that parents could meet and talk with the teachers. Approximately eighty percent of the pupils were represented by a visiting parent.

Christmas and Spring Music Programs were presented by grades 1-6 under the direction of vocal music supervisor, Miss Edith Anne Emery, and instrumental music supervisor, Mr. Stewart Armstrong.

The Special Education Program has continued in operation this year under the direction of Mrs. Kathleen White. This program involves pupils who have a hard time doing the work in the regular classroom. Mrs. White gives tests to these children to pinpoint their learning difficulties. Some of the tests given are the Durrell Analysis of Reading Difficulty, the Peabody Picture Vocabulary Test (PPVT), the Illinois Test of Psycholinguistic Abilities (ITPA), and the Wide Range Achievement Test (WRAT).

The library with the aid of an N.D.E.A. grant has been expanded into an instructional media center. Many resource materials have been purchased for use by both teachers and pupils to supplement regular classroom activities. Some of these materials were displayed at the Open House in October. A portion of the new materials is specifically designed for the use of the Special Education classes and materials are also loaned to other schools in the district.

I wish to thank Mr. Mullen, Mr. Haskins, the School Board and all members of the school staff for their cooperation throughout the year.

Respectfully submitted,

GEORGE C. McKELVEY,
Principal

Following this report is the state law regarding Immunization Requirements:

RE: Immunization Requirements for School Entrants

FROM: Newell J. Paire
Commissioner of Education

I am taking this opportunity to forward to you the information recently received by the Department of Education which relates to *Immunization Requirements* for school entrants. The purpose of this directive is to make clear to you which immunizations are now required, RSA 200:38 "Control and Prevention of Communicable Diseases" was passed during the last legislative session, July 1971.

200:38—I states "All children *shall be immunized prior to* school entrance according to the current recommendations of the State Public Health Agency."

The recommendations of the Division of Public Health become requirements of the State Board and local school boards by this statute.

The immunizations listed below must be completed prior to school entry:

1. Measles Vaccine (live-attenuated)
(Having had measles is acceptable, when verified)
2. Oral Trivalent Polio Vaccine (Sabin)
3. Diphtheria, Pertussis, and Tetanus (DPT)
(Adult type DT when over 6 years of age)
4. Rubella Vaccine

Routine smallpox vaccination is not recommended.

Other vaccinations are optional.

200:38—III states "*All* children shall be examined prior to school entrance to detect symptoms of tuberculosis and may be periodically examined during his school experience."

Tuberculin Test (intradermal) (Within one year prior to school entrance)

It is urgent that parents be informed of this requirement at the earliest possible date, so that the necessary plans can be made with the family physician or other medical resource to accomplish this standard prior to opening of the next school year.

A recommended schedule for initial immunizations and boosters will be made available to all health care providers at an early date by the Division of Public Health.

**SUPERVISORY UNION #23
REPORT OF SUPERINTENDENT'S SALARY**

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during 1972-1973, will receive a salary of \$18,775.00, which is made up as follows: \$2,500.00 to be paid by the State Department of Education and \$16,275.00 prorated among the several school districts. Allowance of \$1,500.00 for travel within the Union is also prorated as stated above.

The table below shows the proration of salary and travel to each school district:

SUMMARY OF ACTIVITIES OF WHITE MOUNTAIN COMMUNITY SERVICES, INC. — 1972

One of the major goals of WMCS is to participate in the process of developing a community of helping people. Such a community hopefully includes volunteers as well as professionals, all working together for the well being of their neighbors.

In light of the above goal, we wish to offer in this report the following description of some of our efforts during 1972:

A. General Services

Received 545 new individual requests for mental health services to area individuals and families.

Held 2690 counselling sessions with individuals, families or groups from the region served by WMCS.

Held 454 consultation sessions with other professional persons and volunteers (doctors, nurses, social workers, members of FISH, etc.) and organizations concerning those individuals they were attempting to serve.

Provided pre-admission screening and after care services for patients entering and leaving the New Hampshire Hospital, Concord.

Participating in the development and implementation of a state-wide plan and program to combat alcohol misuse and abuse at the request of the Governor and in cooperation with the Department of Alcohol and Drug Abuse.

Provided social-psychological evaluations for schools, courts, and state vocational rehabilitation services.

Offered an ongoing bi-monthly in-service training program for those in the helping professions. The goal of this program was to provide new information, skills and coordination of services for individuals seeking help in our local communities.

Continued to provide counselling to individuals and consultation to the Administration at the Grafton County Home and House of Correction.

Provided weekly psychiatric consultation to physicians serving patients hospitalized in our local, general hospitals.

Conducted a monthly in-service program for community and school nursing personnel covering such topics as identifying "shut-ins" for the fire department in case an emergency evacuation is needed and dealing with drugs and problem pregnancies encountered by school age children.

Developed a training program to help local hospital personnel deal effectively with the emotionally upset patient and the alcoholic patient in our local hospitals. (This program to be implemented during 1973)

Developed and implemented a research program to measure the effectiveness of services provided by WMCS to individuals seeking our help.

B. Services to Children and Youth

Started a group program for adolescent girls to teach them communication skills in their personal relations with their families, peers and institutions.

Provided school consultation on a weekly basis to schools in Supervisory Unions 23 and 35.

Conducted a screening program for children's learning disabilities in Supervisory Union 23.

Taught a course to guidance and special education teachers in cooperation with Pupil Personnel Services of Supervisory Union 35. This course was designed to teach the administration and interpretation of a testing program to help identify specific learning disabilities in the school age child.

Taught a course open to all school personnel and other selected professionals in the Introduction of Group Techniques. This course awarded three graduate school credits through the University of New Hampshire.

Continued the Lisbon Development Center (third year), a demonstration classroom for handicapped children currently unable to attend public school.

C. Services to the Elderly

Completed Geriatric Services Program to the elderly to help develop telephone reassurance lines; distribution of surplus food; and friendly visits by volunteers.

Continued the Retired Senior Volunteer Program (second year) to help retired persons continue to be meaningfully involved in their community affairs through their volunteer efforts.

White Mountain Community Services is approved as a psychiatric out-patient clinic by the New Hampshire Department of Mental Health and is affiliated with the following state and national organizations: New Hampshire Association of Community Mental Health Clinics; Northern New Hampshire Mental Health System; New Hampshire Health and Welfare Conference; Psychiatric Out-Patient Clinics of America.

This non-profit agency is governed by a 40-man Board of Directors of local citizens. Elections are held each year at the time of the agency's Annual Meeting (May). All meetings of the Board are open to the public and citizens are encouraged to attend. All monies voted or contributed to White Mountain Community Services are used to support local needs. This agency serves 22 towns totalling a resident population of 23,900.

I wish to thank personally all those public officials, both at the state and local level, who represent the towns this agency serves. Their cooperation and assistance has been deeply appreciated.

Furthermore, the staff at WMCS wishes to pay tribute to all those in the helping professions who have given of their time, effort and much energy on behalf of those whom we all serve.

Finally, I wish to offer highest praise to the many, many volunteers, who, through their untiring efforts throughout 1972, have helped others in crises, prevented further anguish on the part of many, and in general have contributed to making our part of the "North Country" a community of caring and concerned beings.

Respectfully submitted,

DONALD W. GILPIN
Executive Director
